Excellence in Volunteerism

Program Overview: Implemented in 2019, the Dollars for Doers Employee Recognition Program is sponsored by Corning Incorporated Foundation to encourage volunteer support of a wide variety of non-profit institutions operating for the public good. Employees who redeem a minimum of 100 hours per calendar year as a part of the Dollars for Doers Program, will receive recognition of their volunteer efforts and a \$150 cash grant will be distributed to an eligible non-profit organization of the employee's choice.
