One of the greatest things I see happening today is how people are simply seeing volunteerism as part of their role in life. It’s a priority — and it’s terrific.”

Enhancing and sustaining vibrant Corning communities

**EMPLOYEE MATCHING GIFTS PROGRAM**
The Foundation supports Corning employees’ philanthropic spirit by matching their donations to eligible non-profit organizations through the Employee Matching Gifts Program. The individual maximum amount to be matched is $7,500 per calendar year.

**DOLLARS FOR DOERS PROGRAM**
Volunteers demonstrating their passion for the public good are also critical to the Foundation’s vision. The Dollars for Doers Program gives a $150 cash grant to eligible non-profit organizations for every 10 hours an employee volunteers at the organization. The individual maximum cash grants is $1,500 per calendar year (10 grants x $150 = $1,500).
