

NPOconnect Nonprofit Platform

ABOUT

YourCause, now powered by Blackbaud, connects corporations and their employees to Nonprofit Organizations (NPOs) around the globe via our CSRconnect and GrantsConnect platforms. Employees of these corporations can make donations and log volunteer hours to NPOs, and often-times, the corporations match these donations or provide volunteer grants in recognition of their employees' service. We are proud to partner with over 350 corporate clients to support their giving and volunteering efforts. We are also proud that we have never taken a percentage of any donation to fund our platform.

WHAT IS NPOCONNECT?

NPOconnect is the free portal for Nonprofit Organizations (NPOs) through which you can be part of YourCause's Global Good Network of over 8 million prospective donors and volunteers. It's where you can manage the information about your NPO that we share with the Global Good Network. It's also where you can review the donations and volunteer hours that our users contribute to your NPO.

There are many features available to you in NPOconnect that will make it easier for you to receive and manage your donation and volunteer details.

CREATE YOUR NPOCONNECT ACCOUNT

We synchronize NPOconnect with many nonprofit organization databases from around the world to ensure that we have the basic details for a vast majority of NPOs within our system. This includes Guidestar for US-based NPOs, UK Charity Commission for UK-based NPOs, Canadian Revenue Agency for Canada-based NPOs, among many others.

By creating a free NPOconnect account and registering, you will be able to build out your profile, sign up to receive your donations electronically, and so much more.

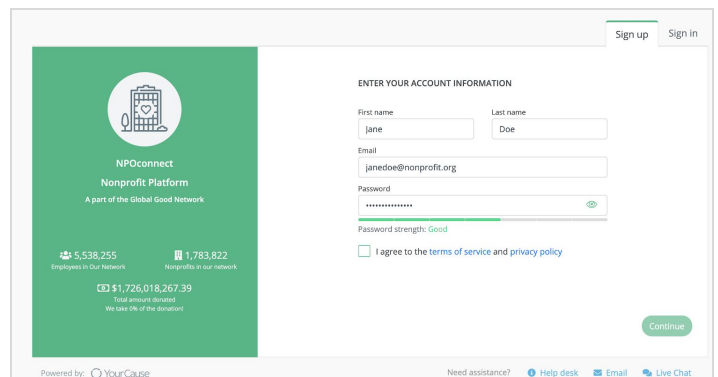

Point your browser to <https://nonprofit.yourcause.com>, click the "Sign Up" tab and create an NPOconnect account. Once your account has been created, you'll receive an email to confirm your account, after which you can sign in to claim and administer your NPO.

REGISTER TO ADMINISTER YOUR NPOCONNECT ACCOUNT

Once you have an NPOconnect account, you can sign in to NPOconnect and register to administer your NPO.

Detailed instructions for registering to administer an NPO are available on our Help Desk at: [Registering to Manage your NPO](#).

What can you do as an NPOconnect Admin?

Maintain Your Public Image

Your NPOconnect profile helps you clearly communicate your organization's presence, mission and goals. NPOconnect allows you to maintain this profile by updating your logo, display name and address, mission statement, website URL, search tags, and more. And all of this information is shared with and made visible in YourCause's Enterprise CSR platforms, CSRconnect and GrantsConnect, to the donors, volunteers, and grant makers in the Global Good Network.

Find and Download Payment Information

Want to know who your donors are? Need the details of the payments made to you by YourCause? NPOconnect provides the ability to review and download specific transactions and payment details to help you keep your books in order and to thank your donors.

Get Payments Faster

Did you know that registering for electronic funds transfer (ACH) can shave up to 2 weeks off of payment processing time? NPOconnect provides a simple way to provide your NPO banking information so that future YourCause payments can be made electronically.

Stay Eligible for Corporate Matching Gifts

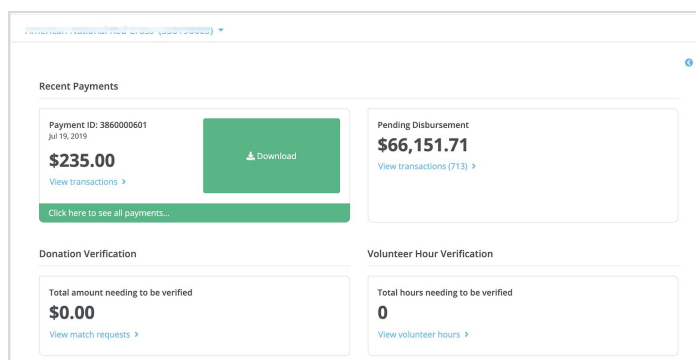

Some CSRconnect clients require that certain compliance statements be accepted and adhered to by an NPO in order to qualify for corporate matching gifts. NPOconnect lets you review those compliance statements and accept or reject them. Also, make sure to have a look at your NPO Affiliations. Some corporate matching gifts could be dependent on you providing that detail about your organization to our CSRconnect clients. Don't miss out on any matching gift opportunities!

Verify Donations and Volunteer Hours to receive Corporate Matches

Some CSRconnect clients require that NPOs verify donation receipt and/or volunteer hours worked in order to be eligible for corporate matching funds. NPOconnect makes it simple for you to see and verify donations and volunteer hours in order to trigger a corresponding corporate matching gift. Don't miss out on any matching gift opportunities!

Share Your Impact

Donors want to know that their time and contributions matter. Share how your organization supports any of the United Nations Sustainable Development Goals (SDGs) by setting up your SDG profile within NPOconnect. Learn more about the [Sustainable Development Goals](#) through our Help Desk article.

Create and Promote Volunteer Events

Looking to promote an upcoming Volunteer Event quickly and easily with all of the prospective volunteers in the Global Good Network. Some CSRconnect clients allow for NPOs to promote their volunteer events directly to members of the Global Good Network. Use the NPOconnect Volunteer Event feature to create an event and promote it to one or more CSRconnect client communities.
